SUBJECT: UNSC/DARFUR: COUNCIL INCHING TOWARD ADOPTION OF  
DRAFT RESOLUTION

REF: A. A. SECSTATE 140827

[1](#)B. B. USUN NEW YORK 01621

[1](#)1. (SBU) SUMMARY. During an August 28 meeting of the Security Council on Darfur, the majority of delegations said that the dire situation in Darfur argued for swift Council action to finalize and adopt the UK-U.S. draft resolution by August 31, although delegations acknowledged that the Government of National Unity (GNU) had still not granted its consent for deployment of UN peacekeepers to Darfur. No GNU representative attended the meeting, but the African Union, Arab League and Organization of the Islamic Conference missions were represented. Department of Peacekeeping Operations A/SYG Annabi gave a breakdown of the financial costs associated with the Secretary-General's recommendations for strengthening AMIS and for deploying UN forces in Darfur. He also provided a critical brief on the GNU's plan for stabilizing Darfur. Most delegations dismissed the viability of a military solution to the Darfur situation. At a subsequent meeting of P5 Ambassadors on the draft UK-U.S. resolution, moderate progress was achieved on OP5 regarding date of transition; updated text in paragraph 9. END SUMMARY.

ANNABI GIVES ANALYSIS OF COSTS AND GNU PLAN

[1](#)2. (SBU) After repeated requests from Council Members for a financial breakdown of the SYG's recommendations to strengthen AMIS and to deploy UN forces in Darfur, A/SYG Annabi outlined short-term and long-term assistance packages. For a four-month period, short-term support to AMIS, including integrated command and control and communications assistance, would cost \$22.5 million; longer-term support, including equipment and infrastructure upgrades as well as troop and police training, would cost \$76 million. For expanded UNMIS deployment in Darfur, Annabi gave annual cost estimates as \$1.6 billion for Option 1, \$1.7 billion for Option 2 and \$1.4 billion for Option 3. He noted a financial addendum would be issued to the Council later this week.

[1](#)3. (SBU) In his analysis of the GNU's August 8 'Plan for the Restoration of Stability and Protection of Civilians in Darfur,' Annabi noted that while certain aspects of the plan could be positively developed, DPKO was concerned that the GNU's planned deployment of 26,500 SAF and SLM/Minawi forces would violate the Darfur Peace Agreement (DPA), since the GNU, as a party to the DPA, could not be considered a neutral arbiter in the conflict. According to Annabi, the only appropriate party for enforcing the DPA would be a UN force;

however, reference to this force was conspicuously absent from the GNU's plan. On the plus side, Annabi welcomed GNU promises to remove obstacles to UNMIS' freedom of movement, to expedite planning for the Darfur-Darfur Dialogue and Consultation (DDDC) and to address violence against women and children.

#### EGELAND URGES IMMEDIATE POLITICAL ACTION

14. (SBU) OCHA U/SYG Egeland warned that without immediate political action by the Security Council, the situation in Darfur could escalate into a 'man-made catastrophe on an unprecedented scale.' He noted that while Darfur insecurity, particularly incidents of gender-based violence, was currently at its highest, humanitarian access was at its lowest level since 2003-2004, a proportion which threatened to put Darfur 'at the brink of war.' Egeland warned that the \$300 million funding shortfall might cause the World Food Programme to cut food rations in October. Egeland echoed Annabi's stance that there could be no military solution to the Darfur conflict, and he added that AMIS needed urgent strengthening until the UN could take over its responsibilities in Darfur.

#### AU PSC TO MEET ON AMIS' FUTURE; AL AND OIC SUPPORT GNU VIEWS

15. (SBU) The representative of the AU Mission explained that the AU Peace and Security Council (PSC) would meet imminently to discuss AMIS' future and would take into account the provisions of its January 12, March 10 and May 15 communiques regarding transition of AMIS to a UN operation in spite of GNU resistance. She urged the Council in its deliberations on the UK-U.S. draft resolution to consider the AU PSC March 10 communique and the AU's responsibilities under the DPA, particularly of establishing the DDDC. Both the AL and OIC Ambassadors urged the Council to take into consideration GNU concerns before adopting the draft resolution. The OIC

USUN NEW Y 00001660 002 OF 007

Ambassador added that his delegation supported the GNU's Darfur plan and that the OIC SYG would try to meet with SYG Annan in Beirut to discuss this issue.

#### MEMBERS DISMISS GNU PLAN, READY TO MOVE ON DRAFT RESOLUTION

16. (SBU) Only Russia, China and Qatar spoke to the 'merits' of the GNU stabilization plan for Darfur, such as its provisions for disarming the Janjaweed, for providing power-and wealth-sharing agreements and for combating impunity. All other delegations dismissed its viability, as its proposed massive use of force to address the problems of Darfur would constitute a violation not only of the DPA but of UNSCR 1591 as well and would result in further human rights violations. Ghanaian PR and current UNSC President Effah-Apenteng decried the enforcement aspect of the GNU's Darfur pacification plan.

17. (SBU) Delegations, especially the African members, spoke to the need for the Council to pursue 'robust and resolute action' on Darfur, with the UK Ambassador and Ambassador Bolton urging adoption of the draft resolution by August 31. Most members agreed on the need for rapid Council action. The Tanzanian DPR warned of Council 'failure' if the resolution were not expeditiously adopted, and the Danish delegate remarked that the Council had 'no alternative' to adopting the draft resolution while continuing to push for GNU consent. The Ghanaian President characterized 'timely transition' as the key to facilitating DPA implementation. The Peruvian and Argentine delegates were very firm in their support for the draft resolution and in their commitment to working toward GNU consent for the UN deployment. Delegations expressed regret that the GNU neither participated in nor was represented at the Council meeting, despite the fact that the GNU itself had sought such type of engagement with the Council on this issue of mutual concern.

#### P5 DISCUSSION

18. (SBU) P5 Ambassadors made moderate progress on the UK-U.S. draft resolution in negotiations immediately following the

adjournment of the private meeting. Discussion revolved around the date of transition in OP5, with Russia and China arguing that October 1 was 'unrealistic' for AMIS transition.

To resolve this impasse, Ambassador Bolton proposed adding to the end of the last line of OP5 the phrase, 'and in no event later than 31 December 2006,' in order to specify an end date on deploying UN forces into Darfur, which seemed acceptable around the table. Russia proved flexible on the wording of the consent reference in the draft text, and China is awaiting guidance on whether or not it can accept a trade proposed by UKUN to retain the 'Responsibility to Protect' reference in PP2 for mention of GNU consent. P5 Ambassadors may re-convene August 29 to continue work on the text.

Reaffirming its strong commitment to the sovereignty, unity, independence, and territorial integrity of the Sudan, which would be unaffected by transition to a United Nations operation in Darfur, and to the cause of peace, expressing its determination to work with the Government of the Sudan, in full respect of its sovereignty, to assist in tackling the

USUN NEW Y 00001660 003 OF 007

various problems confronting the Sudan and that a United Nations operation in Darfur shall have, to the extent possible, a strong African participation and character,

Commending the efforts of the signatories to the Darfur Peace Agreement, expressing its belief that the Agreement provides a basis for sustained security in Darfur, reiterating its welcome of the statement of 9 May 2006 by the representative of the Sudan at the United Nations Security Council Special Session on Darfur of the Government of National Unity's full commitment to implementing the Agreement, stressing the importance of launching the Darfur-Darfur dialogue and consultation as soon as possible, and recognising that international support for implementation of the Agreement is critically important to its success,

African Union Peace and Security Council of 27 June 2006 on strengthening AMIS' mandate and tasks, including on the protection of civilians, and considering that AMIS needs urgent reinforcing,

Reaffirming its concern that the ongoing violence in Darfur might further negatively affect the rest of the Sudan as well as the region, in particular Chad and the Central African Republic, and stressing that regional security aspects must be addressed to achieve long lasting peace in Darfur,

Remaining deeply concerned over the recent deterioration of relations between the Sudan and Chad, calling on the governments of the two countries to abide by their obligations under the Tripoli Agreement of 8 February 2006 and the agreement between the Sudan and Chad signed in N'djamena on 26 July 2006 and to begin implementing the confidence building measures which they have voluntarily agreed upon, welcoming the recent re-establishment of diplomatic relations between the Sudan and Chad, and calling upon all States in the region to co-operate in ensuring regional stability,

Re-iterating its strong condemnation of all violations of human rights and international humanitarian law in Darfur, and calling upon the Government of National Unity to take urgent action to tackle gender based violence in Darfur including action towards implementing its Action Plan to Combat Violence Against Women in Darfur with particular focus on the rescission of Form 8 and access to legal redress,

Expressing its deep concern for the security of humanitarian aid workers and their access to populations in need, including refugees, internally displaced persons and other war-affected populations, and calling upon all parties, in particular the Government of National Unity, to ensure, in accordance with relevant provisions of international law, the full, safe and unhindered access of relief personnel to all those in need in Darfur as well as the delivery of humanitarian assistance, in particular to internally displaced persons and refugees;

Taking note of the report of the Secretary-General on Darfur dated 28 July 2006 (S/2006/591),
